P.C.

. The entire petition was based on the fact that the representative of the petitioner was there with the necessary documents before the cut-off time. On behalf of the respondents it is pointed out that they have received fax message from the Returning Officer disputing the correctness of the statement made in the petition.

2. This would raise disputed question of facts which cannot be gone into in the exercise of our extra ordinary jurisdiction. It will be open to the petitioner if he is aggrieved to raise that issue in an election petition if adversely affected. With the above observations, petition disposed of.
